

Dear Friend,

We pray this letter finds you secure in the truth of God's promises found in the Bible. The Bible is essential for God's people to grow and mature to do the work Jesus commissioned. Yet, many believers have no idea where to start or how to stay consistent and effectively engage with the Bible.

Scripture engagement is learning the life-giving benefits of intentionally "immersing" ourselves in the Bible to experience God's presence and truths flowing through us to a broken world.

Our culture seems to be spiraling out of control as biblical values are diminishing. We believe there are important correlations here that can no longer be ignored. God has propelled the ministry of YadaFactor for such a time as this!

YadaFactor provides the guidance needed for real life change around biblical practices. Our discipleship model puts each student at the feet of the Father, learning not just how to read the Bible, but how to *immerse* themselves in Christ, while growing in deep relationship to know God and hear His voice. By God's grace, and your generosity, YadaFactor is impacting hundreds of lives across the nation and globe.

Jesus said..."but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life." - John 4:14

With your continued financial commitment and prayer, we can guide believers toward deep, transformative life change through Jesus Christ and the Bible. We offer a professional, biblically literate, high quality online, 7-week course, with certified in-person coaching at no cost. We are training participants to hear God's voice for change. Because of you, your trust in us and the mission, lives are being changed.

Blessings,

Debbie

"Sharing the process of Yada has become a passion because encouraging a student to receive the tools to connect intimately with our Heavenly Father brings life changing hope and joy!" - **Kerry, Coach**

"I love being a Yada coach because it gives me the opportunity to witness the transformation that happens when women truly listen to God. As they receive his beautiful love, it's like a flower opening in the sunlight." - **Christine, Coach**

"I am amazed at how much I get out of each class I coach; not only do I get to bless others, but I too am always equally blessed! Seeing how the practice of Yada transforms so richly the way participants experience God and His Word is truly rewarding! We get to dig into God's Word together, encourage one another to hold to His teaching, spur one another on to really be His disciples, and to know the truth which sets us free! (John 8:31-32) It's simply beautiful!" - **Jessica, Coach**

im-merse /i'mərs/ Verb. To involve oneself deeply in a particular activity.

What might happen if believers truly reengaged with the Bible, daily immersing themselves with resolved commitment? How might bringing the Bible back into believers lives as an essential priority impact the needed change in lives, and so many other issues we face today?

God is able, but we each have a responsibility to do our part.
