### HERE'S YOUR OPPORTUNITY TO SEE GOD'S PANORAMIC VIEW OF YOUR STORY IN HIS-STORY!

ener mit the there

Summarize how God spoke into your life circumstances through reading, writing, and sharing His Word in the past year.

## WE REFER TO THIS AS A YEAR-END INVENTORY.

It's a valuable tool for gaining God's "big picture" perspective and glimpsing our lives from His point of view.

# **ASK YOURSELF:**

- Which books of the Bible did I study?
- Which characteristic of God did I come to understand intimately?
- Which promises did I receive?
- What truth did I wrestle to understand and apply?
- Who have I forgiven?
- What topics has God repeated?
- What old habits or hang-ups have been challenged or healed?
- Where has my perspective been adjusted to agree with the truth?
- How have my attitudes or actions changed as a result of staying committed to yada (knowing) Him?

As Jesus prayed for His followers and Paul, after Him, prayed for the Ephesians, we too at YadaFactor Ministry keep asking God to give you the Spirit of wisdom and revelation, so that you may know (yada) Him better. **~Ephesians 1:17** 

"Now this is eternal life: that they know you, the only true God, and Jesus Christ, whom you have sent." ~**John 17:3**  Write it or jot it down in bullet points. We think you'll find the 2024 panoramic view enlightening and encouraging!

#### **Expect a few more AHA!**

moments as you look back in your journal and listen once again to what God said to you this year.

Hindsight is 20/20 as the ole' saying goes, and **reframing your year with God's intimate, living Word** builds faith and confidence.

May what the Spirit revealed to our spiritual ears overflow in our hearts, in our families, in our neighborhoods, and in the churches.

To God be the glory!
